

Bridgewater Township

2021 Asset Management Summary

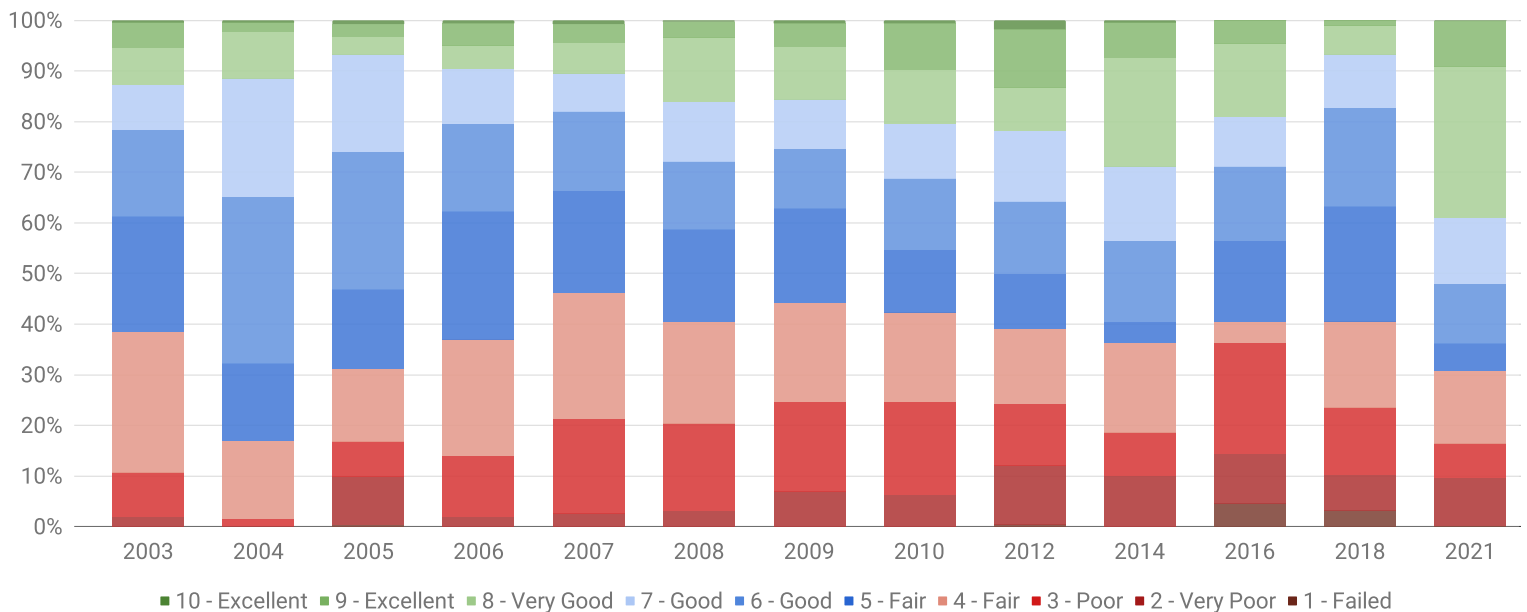

RECOMMENDED TREATMENT

- Reconstruction (1-4)
- Preventive Maintenance (5-7)
- Routine Maintenance (8-10)

COUNTYWIDE PAVEMENT CONDITIONS SINCE 2003

The Pavement Surface Evaluation and Rating System (PASER) is used to assign a rating from "1" (failed road) to "10" (new road/complete reconstruction). WATS, MDOT, and the WCRC have collected PASER data for Washtenaw County since 2003.
