SUMMER 2021

SAFER STREETS - SAFER YPSILANTI

miwats.org/route-ypsilanti

The charts that follow, present the survey results from the online and mailed surveys that were collected during the month of May 2021.

These responses were shared with the City of Ypsilanti and were used to select the final designs that will be deployed during June 2021.

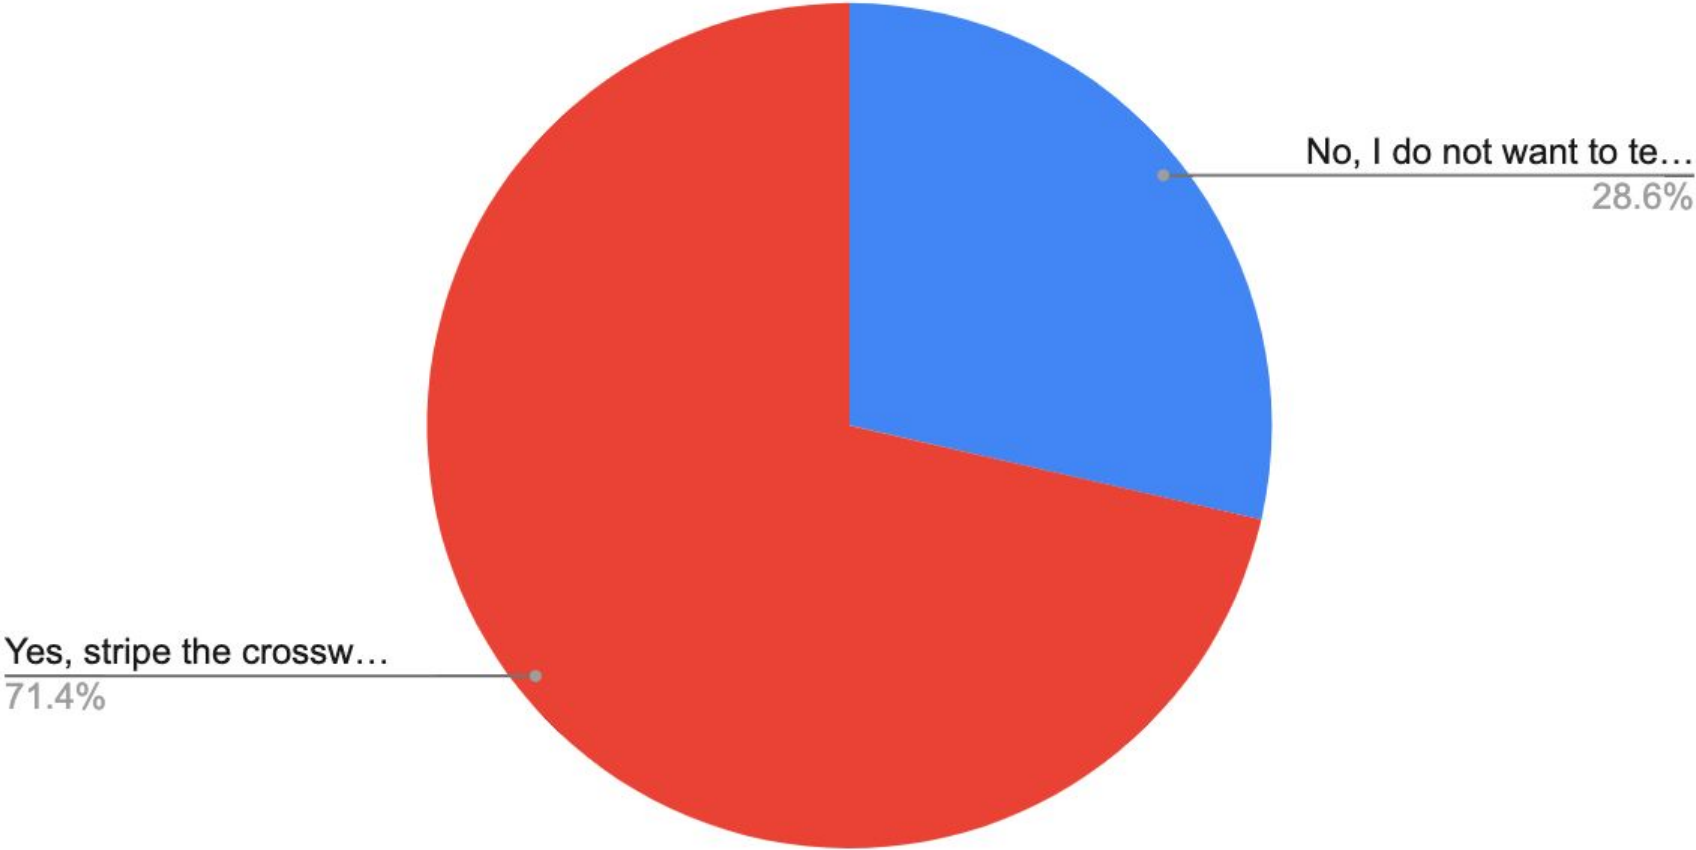

These results will also be part of the final project report that will be developed and given to the City of Ypsilanti.
